DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Darren Crew on 11/05/2010.

The application has been amended as follows:

Claims **5-8, 11, 14, 16, and 18** have been **canceled**.

Allowable Subject Matter

Claims **1-4, 9, 10, 12, 13, 15 and 17** are allowed.

The following is an examiner's statement of reasons for allowance:

The claims drawn to an actuator for a pickup that with various claim limitations comprises five or more linear elastic members, the plurality of the linear elastic members is equal to one another in length dimension between the fixed portion and the movable portion, the ends of the plurality of the linear elastic members are located on a virtual circle formed on a plane by being projected onto a plane including both the focusing direction and the tracking direction, and

Art Unit: 2627

formed by aligning at the center of the translational forces of the linear elastic members with rolling the center of the linear elastic members and "at" least one of the center of gravity of the movable part and the center of the drive force of the movable part.

The various claimed limitations mentioned in the claims are not taught or suggested by the prior art taken either singly or in combination, with emphasize that it is each claim, taken as a whole, including the interrelationships and interconnections between various claimed elements make them allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
